

I am writing to you,  
as I am extremely  
concerned that  
Sinclair  
Broadcasting's  
decision to force  
their stations to  
air an anti-Kerry  
documentary this  
month, is biased and  
not complying with  
service to the  
public airwaves.  
Please, could you  
review this, as this  
type of trick to  
swing an election  
result, simply would  
not seem to be  
democratic (at  
least, not unless  
there was a pro  
Kerry film shown  
immediately  
afterwards). I  
believe something  
ought to be reviewed  
by the FCC, as this  
is going to be  
unfair and  
unbalanced and  
critical for a fair  
election. Again, I  
am extremely  
concerned about this  
and ask for you to  
take some action to  
respect the fairness  
of our airwaves.

Regards,  
Will Bilton
